THE SUNDAY PAPER

Year A
THANKS-GIVING

Thanksgiving Day is a special day in America. Long ago, some people came to America from Europe. We call them the "Pilgrims." (PILGRIM means "a person who travels a long way to keep a promise to God.") The Pilgrims came to America to form their own kind of church. They remembered how, long long ago, God had led his people out of Egypt into a promised land. They believed God was leading them, too, into a promised land. They remembered how God told his people to be thankful for all his gifts, especially the good land to grow food!
