

# Adult Christian Education

Report submitted by Eric Hanson

Adult Christian Education and Faith Formation continue to be a priority at St. Alban's. Sermons, quarterly events, Bible studies and the Adult Christian Education hour 9:15-10:15 every Sunday, form the core of the program. There are also two book clubs which meet monthly. The "Page Turners" meet Wednesday mornings at the church; the "Rogues" meet at Café Ladro after the second service on Sundays. All are welcome.

The Adult Christian Ed. class this past year has had 6-12 attendees (everyone is invited!) and has done studies of the book of Exodus ("The Path to Freedom") and "Living Easter Through the Year." After a summer hiatus we have begun a study of the Psalms. There is great fellowship and the class members are encouraged to ask questions, express their thoughts, feelings, doubts, items of petition and praise. I think some learning goes on as well. I encourage everyone to consider this class and to support the notion of ongoing Christian faith formation and spiritual growth at St. Alban's. Taste and see that the Lord is good!

Respectfully,

Eric Hanson
