

**December 24, 2021**

**St. Alban's Episcopal Church in Edmonds, Washington offers In-Person Sunday Services at 8:00am and 10:30am, plus Christmas Eve, Christmas Day, and other events listed at <http://stalbansedmonds.org/>**

**Participants must be fully** vaccinated against COVID-19 for indoor worship services – two doses of **Moderna** or **Pfizer** or one dose of the **Johnson & Johnson**, plus two weeks' incubation period. We continue to live stream the 10:30am services on Facebook and YouTube for those who don't wish to or are unable to attend in-person worship.

**The arrival of the Omicron Variant in December 2021** brings new challenges. Given that **Boosters** are available, but sometimes challenging to schedule and obtain, boosters are recommended, encouraged, but not required. On a similar note, if you have been traveling or in a crowd (like at concert, sporting event, or social gathering), please consider taking a **Rapid COVID Test**. Again, given the challenges in obtaining them, rapid tests in these situations are encouraged, but not required. Please remember that **these precautions are for the benefit of others, particularly those with complicated health issues**. Thank you for your care of others.

**10:30am Indoor Service – Arrive early:**

- Sign at Attestation Form concerning your health.
- Wash or sanitize your hands.
- Maintain safe distance (6 feet) between households.
- Be masked – covering nostrils and mouth (those participating in service are allowed to remove mask while speaking).
- Refrain from shaking hand, hugging, etc.

**When Receiving the Eucharistic Bread:**

- Remain masked.
- Maintain safe distance.
- Sanitize hands (sanitizers available)
- Bread will be distributed on the main floor.
- Extend your arms with hand together, palms up.
- Return to your seat before eating consecrated bread.

St. Alban's is located at 21405 82<sup>nd</sup> Place West, Edmonds, Washington 98026
