

THE SUNDAY PAPER

Year A
PROPER 18
TRACK 2

Just like the regular year, the Church year is divided into seasons. But unlike regular seasons, Church seasons are all different lengths. The season we are in now is called "the season after Pentecost." It is so long that it takes up half the year. In the other seasons, we learn how Jesus was born and died and rose again to save us. In this long season, we learn what Jesus said and did to teach us about God. Our story this Sunday is something Jesus said.

LIVING IN GOD'S LOVE

Matthew 18:15-20
JESUS WAS TELLING HIS FRIENDS HOW GOD WANTED THEM TO LIVE!

Jesus came to share our life and our death, so that we could be in peace and love with God and each other. When we believe and understand how much God loves us, we will want to love each other, too!
